

## Corporate Press Release

14 April 2011

### **Dave Walker New Therapy Area Director at Norgine**

Norgine is delighted to announce that Dave Walker has been appointed to the position of Therapy Area Director, TA2, based at Norgine House in Harefield. Dave joined us on the 1<sup>st</sup> April 2011.

Dave is a highly experienced director of drug development with over 20 years experience in the pharmaceutical industry and will be a valuable addition to Norgine's Development function.

Dave previously worked at PGXIS Limited, where he was Clinical Development Director, and has also worked at GSK as Project Director, leading projects in Neurosciences across all phases of drug development, including the global development & post approval support of Imigran™ and Naramig™ products within the migraine franchise.

#### **About Norgine**

Norgine is an independent, successful European specialty pharmaceutical company that has been established for over 100 years and has a presence in all major European markets. In 2009, Norgine's net product sales were €253 million, the 23rd

year of double-digit growth at constant exchange rates. The company employs over 1,200 people.

Norgine's focus is the development and marketing of pharmaceutical products that address significant unmet clinical needs in areas such as gastroenterology, hepatology and supportive care. The company currently markets a range of products in various markets in its key therapeutic areas e.g., MOVICOL® for the treatment of constipation and faecal impaction, MOVIPREP® a bowel cleansing preparation, KLEAN-PREP® for bowel preparation prior to colonoscopy, XIFAXAN® for the treatment of travellers diarrhoea and hepatic encephalopathy and ORAMORPH® for the treatment of moderate to severe pain associated with cancer.

Norgine is active in research and development and currently has products in various stages of clinical development. Norgine manufactures most of its own products in Hengoed, Wales and Dreux in France.
